

# oreo chocolate chip cookies

3/4 cup sugar

3/4 cup brown sugar

1 tsp baking soda

2 cups chocolate chip

3 1/2 cups unbleached flour Bag Oreos

Oven Preheat 350

1 cup butter

2 eggs

1 tsp vanilla

1 tsp salt

Bake 9-13 minutes

Beat together butter until creamy, add sugars continue to beat until smooth.

Add vanilla and eggs beat until light and fluffy. Add in all dry ingredients. Just mix until blended. Add chocolate chips mix until incorporated.

Using a ice-cream scoop I add a ball of dough to the top and bottom to a Oreo.

Encapsulate the Oreo so that the dough seals around the sides it will look like a giant golf ball! LOL Place cookies on baking sheet. I always use parchment paper on my trays so nothing sticks!

The cookies won't spread but don't crowd.

Bake until lightly brown. That's it! The rest is your imagination! :) I use double stuff chocolate Oreos, use whatever flavor Oreo you love and make them your own.

YUM!
