

# chocolate chip muffins

All I can say if you want to make a fabulous little muffin here is your go-to recipe. These little yummy treats are just the right size to pop in your mouth for a anytime snack!

Preheat oven to 350 F and prepare muffin tins

Bake 18-23 minutes

In a mixing bowl beat until creamy

1 1/2 sticks butter

3/4 cup sugar

Add 2 eggs continue to cream

Add and blend

1 1/2 tsp vanilla

3/4 cup milk

In one swoop add and just stir until blended don't over mix!

2 1/2 cups flour

3 1/2 tsp baking powder

1/4 tsp salt

1 cup mini semisweet chocolate chips

For fast and easy removal from the muffin tins, I like to use muffin wrappers, large or small whatever you have on hand is fine. For a little shine you can sprinkle each muffin with a little sugar before baking. Store in air tight container and will last up to 5 days but they may not last that many days! YUM
